ROCKWALL STUDIOS 10-80 Wyckoff Av. D-01

Bushwick Open Studios (BOS) is a three-day arts and culture festival hosted by the volunteer-run organization Arts in Bushwick. It is one of New York City's largest open-studios event.

Rockwall Studios (D-01) was the first studio I set up outside of my home. 2018 marked the end of 4 years at this creative venue where many friendships were made. This was my Abattoir.
